

### **302-00 ASSESSMENT—POLICY**

Coconino Community College will assess student academic achievement and institutional effectiveness to enhance student success and continuously improve instruction, support services, and administrative functions. A variety of data gathered through diverse methods will be used to make resource allocation, administrative, support, and educational process and outcome decisions. The process of data collection and analysis will adhere to ethical standards and confidentiality.

The President of the College or designee, in conjunction with the faculty, will develop administrative procedures for the design and implementation of a comprehensive assessment effort.
