Student Services

Destress Fest

As finals approached, Student Life hosted Destress Fest to support student well-being. Therapy dogs, ice cream, and engaging activities provided students with an opportunity to pause and recharge before their exams. The event created a welcoming space for connection during a busy time of year.

FAFSA and Scholarship Lunch

CCC kicked off the opening of the 2026-27 scholarship process with a celebration alongside the Foundation and Financial Aid teams. Students received guidance on FAFSA, learned about available scholarships, and explored ways to make college more affordable.

Community Connections

Holiday Light Parade

CCC joined the Greater Flagstaff Chamber of Commerce for the annual Holiday Parade of Lights in Historic Downtown Flagstaff. Surrounded by families, students, and neighbors, this beloved event brought our community together to celebrate the season.

Thank you to everyone who represented CCC with festive cheer!

ITS

Make sure to check out the latest issue of [IT Happens](#), CCC's monthly tech update designed to keep you informed with the latest technology tips, news, and guides!

Academic Affairs

Nursing Pinning Ceremony

CCC proudly celebrated our newest Nursing graduates as they participated in the traditional pinning ceremony. Surrounded by family, friends, and faculty, students took the Nightingale Pledge and marked their entry into the nursing profession. This milestone reflects their dedication, compassion, and commitment to caring for others.

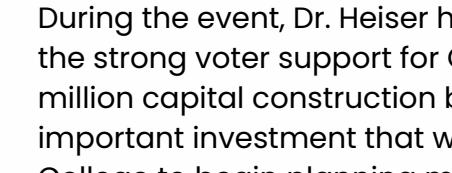

CAMT Graduates

Congratulations to the newest graduates of the Certified Apartment Maintenance Technician program, also known as CAMT! These students completed eight weeks of online evening classes, paired with in-person labs in electrical, plumbing, HVAC, and other related areas. Their hard work earned them certifications, including OSHA 10, and preparedness to help strengthen our local workforce.

Clay Club Sale

The Clay Club hosted its annual holiday sale at Lone Tree Commons, featuring beautifully handcrafted pottery made by students, faculty, and club members. Funds raised support guest artists, field trips, and opportunities such as the National Conference for Ceramics—helping enrich CCC's vibrant Fine Arts community.

Celebrations

Staff & Faculty Holiday Party

This year's Winter Wonderland-themed employee celebration at Little America brought together staff from all

campuses for dinner, trivia, music, and

prizes. Campuses closed early to ensure

everyone could attend and enjoy the

festivities.

Election Celebration

The College gathered for a celebration with Dr. Heiser to recognize recent election victories and share exciting updates with the campus community.

During the event, Dr. Heiser highlighted the strong voter support for CCC's \$100 million capital construction bond—an important investment that will allow the College to begin planning major

projects in Flagstaff, Page, and Williams. These projects will expand access to

education, modernize facilities, and

strengthen high-wage, high-skilled,

high-demand career pathways across

our region.
