Policy

Coconino Community College is committed to the use of the Internet for enhancing student access and success, promoting the College identity, and accurately informing internal and external constituencies of the College. This includes, but is not limited to, development of websites, web pages, and other web-oriented processes. The College President or designee will ensure that all information put on web pages is consistent with the mission of the College, supports the concept of universal accessibility and does not violate Federal, State, and local law or College policies and procedures
