

## **Procedure 520-30 Financial Aid Tuition Deferment**

**Sponsor: Student Services**

### **Purpose**

Provide guidance for students who have financial aid pending, but not ready for disbursement when classes are about to begin.

### **Definitions**

None

### **Procedure**

Students will be provided payment options for tuition and fees for credit classes.

Payment options will include but are not be limited to:

1. Installment payment plans
2. Being held in classes by the Office of Student Financial Aid pending financial aid through the College
3. Being held in classes by the Office of Student Financial Aid pending receipt of confirmed outside agency awards

Installment payment plans are the responsibility of Student Accounts.

Deferment plans are the responsibility of the Director of Student Financial Aid and Veterans Services.

Payment plans and deferment options are published and explained on the CCC website.
