Department of Education Regulation 34 CFR, Part 668 requires colleges to compare your household's 2017 financial documentation with the information provided on your Free Application for Federal Student Aid (FAFSA). This process must be completed before CCC can award you financial aid. If there are differences between your FAFSA and your financial documents, CCC will correct your FAFSA. We may require additional documentation if we have reason to believe the information on this form is inaccurate or incomplete.
