Your financial aid file was selected for a process called verification. Department of Education Regulation 34 CFR, Part 668 requires colleges to compare your household's 2023 financial documentation with the information provided on your 2025-26 Free Application for Federal Student Aid (FAFSA). This process must be completed before CCC can offer you financial aid. If there are differences between your FAFSA and your financial documents, we correct your FAFSA. We may require additional documentation if we have reason to believe the information on this form is inaccurate or incomplete.
