

**Coconino Community College**  
**Certified Nursing Assistant Certificate Program Academic Year 2021-2022**

After completing NUR 110 and NUR 111, as part of the licensing application process, nursing assistant students must pass a background check with the Arizona State Board of Nursing, knowledge and skills tests with D&S Diversified, and proof of citizenship. Please refer to [www.azbn.gov](http://www.azbn.gov) for more information.

**Attendance at First Class is Mandatory**

A complete description of this course is available at the Coconino Community College website:

<https://www.coconino.edu/info/cna-program>

**Course: NUR 110, Nursing Assistant I, 6 hours per week of class/skills lab, 4 credits (letter grade)**

The Certified Nursing Assistant's role will focus on the adult population which covers the basic concepts required to become a member of the health care team in long-term and acute care settings. Topics to be taught include (but not limited to) an understanding of activities of daily living, communication, basic nutrition, basic emergency care, principles of infection control, medical terminology, resident safety, and ethical/legal aspects of health care. Fundamental nursing skills based upon the basic nursing concepts above will be reinforced through giving individualized resident care in the classroom, lab, lab practice time, and clinical rotations. This is an in-person class.

Course Outline: [https://www.coconino.edu/resources/files/pdfs/registration/curriculum/course-outlines/n/nur/nur\\_110.pdf](https://www.coconino.edu/resources/files/pdfs/registration/curriculum/course-outlines/n/nur/nur_110.pdf)

- \* This class will prepare the student to take the knowledge and skills examinations for the Arizona State Board of Nursing (AZBN). The student must pass this class and the state exams to become certified or licensed. You must pass NUR 110 with a "75%" or better, and successfully complete NUR 111. Verified Competency of skills #1-23 in the CNA Candidate Handbook is required prior to students being permitted to attend clinicals. Inability to attend or unsatisfactory clinical will result in a failing grade for both NUR 110 and NUR 111. **NOTICE: If a student fails either class, both classes must be repeated successfully before a certificate of completion is granted.**

**Co-Requisite Course: NUR 111, Nursing Assistant Clinical, 40 hours of clinical time, 1 credit (letter grade)**

This course will provide students with the necessary clinical time required for application for state certification as a Certified Nursing Assistant or Licensed Nursing Assistant. Students will practice basic concepts common to all members of the health team in acute and long-term care settings, which include basic principles of communication, nutrition, emergency care, medical terminology, environmental safety and comfort, ethical/legal aspects of health care, basic nursing skills based upon fundamental nursing concepts in giving individualized client care. This course requires forty (40) hours of supervised clinical in a variety of health care facilities. **Students must have a grade of 75% or more in NUR 110 to attend clinical.**

Course outline: [https://www.coconino.edu/resources/files/pdfs/registration/curriculum/course-outlines/n/nur/nur\\_111.pdf](https://www.coconino.edu/resources/files/pdfs/registration/curriculum/course-outlines/n/nur/nur_111.pdf)

**Pre-Requisite or Co-Requisite: AHS 131, Medical Terminology I (this can be taken as an online course)**

**TO REGISTER:** *Bring originals of the below listed requirements to Registration at the Fourth St Campus.* An enrollment representative will verify your information and give you authorization to enroll. Authorization to register does not guarantee enrollment in class. Classes are limited to 20 students, first come first served.

**\*\*Due to the high demands for these courses, attendance to the first class meeting is required, or you will be dropped and another student will be given placement. Classes are limited to 20 students. Early registration is strongly advised.**

**Documents required at the time of registration:**

1. Current American Heart Association BLS Provider CPR certification card
2. Evidence of a negative TB skin test that is current and will not expire before the end of the semester
3. Arizona DPS Level 1 Fingerprint Clearance card
4. Flu shot for the current flu season (flu season is October – April)
5. Pre-requisite or Co-Requisite AHS 131, Medical Terminology
6. Tdap within the past 10 years and will not expire before the end of the semester
7. Proof of 2 Varicella vaccines or positive titer read by a healthcare provider
8. Proof of 2 MMR vaccines or positive titer read by a healthcare provider
9. 10-panel urine drug screen within 2 weeks of registering for classes
10. ENG 098 (or RDG 099), or placement test scores beyond prerequisite course
11. Math 088, or placement test scores beyond prerequisite course
12. Medical Terminology I (AHS 131) is required as a pre-requisite or co-requisite

**American Heart Association (AHA) BLS Provider CPR** is the only acceptable CPR certification. Coconino Community College requires this form of certification and **no other**. Even if you have a more advanced form or are told it is the same thing, anything that is not AHA BLS Provider will not be accepted. CCC offers CPR classes on a regular basis. Please check out the following website to schedule a class: <https://coconino-community-college.coursetorm.com/category/cpr-first-aid-emt>.

**You will be given information regarding clinical supplies and uniforms on your first day of class. You DO NOT need a uniform to begin class.**
