

Coconino Community College Nursing Assistant Program Prerequisite Information

These guidelines are indicated for anyone interested in enrolling in the nursing assistant courses (NUR 110 and NUR 111). The requirements are set forth by the nursing assistant program personnel in response to clinical facility and Arizona Board of Nursing requirements. No exceptions will be made for any requirement, and no student shall enroll or enter class without meeting **all** the requirements.

For CAVIAT students, all documentation must be submitted through the CAVIAT program no later than two weeks before the beginning of the enrollment semester with no student enrolling or attending until documentation has been verified by the Director of Nursing.

Please note that records which have expiration dates must be current at the time of registration and not expire prior to the end of the semester.

*****Prior to registering for CNA (courses: NUR 110 and NUR 111), please ensure all documents are in hand and schedule an appointment with the Nursing Program Specialist to review these documents. This step must be completed prior to registering. Please email: callie.goldberg@coconino.edu to schedule an appointment. *****
