

NOTABLE

The College Veteran's Center hosted a luncheon in honor of Veterans Day for our student Veterans and all those who have served in the United States military. Your dedication and sacrifice are truly appreciated, and events like these serve as a small token of our immense gratitude for your invaluable service to the country.

Kathryn Kozak, Cheryl Meilbeck, and Madilyn Marshall attended the AMATYC Annual Conference in Omaha, Nebraska, November 9-12. They were able to learn about introducing more active learning into their classrooms, placement methods used by other schools, and making a syllabus more inclusive.

The Student Life Native American Heritage Month Dinner & Movie Event proved to be a captivating and thought-provoking evening for all attendees. The film "Indian Horse" delved into powerful themes, such as the impact of forced assimilation on Native American children, recognition of abuse of power by religious leaders, the brutality and trauma of boarding school children, generational trauma, and how sports can serve as an outlet for personal strength and empowerment. This sparked reflection and stimulating conversations among the students.

The CCC ASL Club, in collaboration with Fratelli's Pizza, raised \$600 for the four families who lost loved ones in the Lewiston, Maine, shooting. The deaf community is very small and those deaf individuals who were killed have ties with people here in Flagstaff. 60 people attended the event, including ASL students, ASL faculty, and community members. The Maine Association of the Deaf was thrilled to receive the funds to help support these families.

TRIO celebrated National First-Gen Day, recognizing the Higher Education Act of 1965. This legislation created new college opportunities for low-income and first-generation students. The Dean of Student Development, David Asencio, shared his experience as a first-generation student, and attendees were encouraged to share their own stories on a community board. In addition, the TRIO staff hosted a plant sale to raise funds for the TRIO Club. Over 50 students, staff, and faculty members were in attendance, making it a truly special celebration.

CCC students and staff gathered at the CCC Native American Success Center for a Christmas ornament-making party. NASC Peer Mentors Misty Jensen and Koda McCabe organized the "Manage Your Stress" event. Attendees had a great time!

The Associated Latino Student Club (ALAS) held its final sale for the Fall 2023 semester. We partnered with Gloria's Bakery, a local Hispanic business, to promote and sell delicious pan dulce and Mexican hot chocolate. The main objective of this sale was to raise funds for our scholarship program "Latinos Unidos," which provides financial assistance to two students with \$1,000 each. This scholarship is particularly designed for DACA, undocumented, or immigrant students who lack adequate financial aid.

PARTNERSHIPS

CCC Anthropology and Anatomy/Physiology classes sent several students to visit the cadaver labs at NAU. students gained a tremendous appreciation through this experience.

Kay Leum with County Supervisor Lena Fowler and Page Vice Mayor John Kojan.

The Page Lake Powell Annual Balloon Regatta, held in November, had perfect weather and the balloons flew each morning. CCC Page hosted a booth at the street fair and sponsored a balloon. Several staff from Flagstaff came to Page to help promote CCC. The street fair is a great place to catch up with supporters.
