A. Identification:

1. Subject Area: Emergency Medical Services (EMS)
2. Course Number: 131
3. Course Title: Emergency Medical Technician
4. Credit Hours: 8
5. Catalog Description: Emergency Medical Technician course using the 2009 curriculum adapted by the Arizona Department of Health Services. This course will help prepare students for the National Registry of EMTs and certification as an AZ EMT. Prerequisites: 18 years of age by the end of the course; BLS/Professional/Healthcare Provider C.P.R. certification (AHA, Red Cross, NHSC, or other as approved by EMS Program Coordinator); Negative TB skin test within 6 months prior to the beginning of class (or chest X-Ray within 2 years); Proof of measles, mumps, and rubella (MMR) immunization or positive blood titer; Verification of flu vaccine. These requirements are subject to change at the discretion of Northern Arizona Healthcare. Prerequisite: RDG 099 or placement beyond prerequisite.

B. Course Goals:

To provide the student with a basic understanding of emergency medicine as it relates to pre-hospital care and to prepare the student for the National Registry of EMT exam for certification as an AZ EMT.

C. Course Outcomes/Competencies:

Based upon the 2009 Emergency Medical Technician National Standard Curriculum.

D. Course Outcomes Assessment

1. Tests.
2. Practical Exams.
3. Comprehensive Final Exam.
4. National Registry of EMT exam for certification as an AZ EMT.

E. Course Content:

Based upon the 2009 Emergency Medical Technician National Standard Curriculum.
