

2025-2026 ACADEMIC PROGRAMS

UNIVERSITY OF MARYLAND
GLOBAL CAMPUS

ABOUT UMGC

University of Maryland Global Campus was founded more than 75 years ago specifically to serve the higher education needs of working adults and military servicemembers. Today, UMGC is the largest provider of postsecondary education in Maryland and continues its global tradition with online and hybrid courses, more than 175 classroom and service locations worldwide, and more than 135 degrees and certificates backed by the reputation of a state university and the University System of Maryland.

territories (listed online at umgc.edu/counseling); additional admission
requirements apply; requires supervised clinical field experiences.

University of Maryland Global Campus (UMGC) is accredited by the Middle States Commission on Higher Education (MSCHE). MSCHE is recognized by the U.S. Secretary of Education to conduct accreditation and pre-accreditation activities for institutions of higher education, including distance learning, correspondence education, and direct assessment programs, throughout the United States. MSCHE's most recent action for UMGC was a reaffirmation of accreditation status on June 23, 2015. UMGC is a constituent institution of the University System of Maryland and is governed by the USM Board of Regents. UMGC is certified to operate in Virginia by the State Council of Higher Education for Virginia. University of Maryland Global Campus, 9625 Belvoir Road, Barden Education Center, Building 1017, Room 128, Fort Belvoir, VA 22060
